

Summer 2017 PAID Internship/Part-Time Opportunity

Urban Innovation21 is a public-private partnership that boosts regional economic development through 21st century innovation-driven entrepreneurship. The Pittsburgh Central Keystone Innovation Zone (PCKIZ) is a program of Urban Innovation21. The PCKIZ internship matches undergraduate and graduate students with paid internship opportunities at local start-up companies. PCKIZ internships are open to students from Community College of Allegheny County, Carlow University, Duquesne University, and Point Park University.

Intern Title: Community Interaction Intern

Company: Ikos

Overview: Ikos is a Pittsburgh based start-up that is looking for an Intern to join in an "all-around" capacity. Internships are a time when you can learn a lot about different aspect of business and how it actually works. Given that we're such a young company Interns will have a unique opportunity to contribute to projects and build processes that will help our company.

Location: Pittsburgh, PA

Tentative Start Date: May 2017

Internship Description: The main focus of the internship will be Community Interactions - which is simply talking, helping and nurturing the users of our product (renters and landlords). We use a lot of technology so you'll be able to provide input on how to make our current systems better. This will encompass a lot more which we will talk about during the interview process. Huge plus if you have a car! Office is on the East End (East Liberty) but we will be moving to Lawrenceville soon. Looking forward to hearing from you!

Bonus of Urban Innovation21 Internship Program:

- Professional development workshops available
- Gain access to 1 on 1 professional development advisory mentoring service
- Opportunity to attend networking events

Pay: \$10 an hour; 224 hour internship assignment; maximum 28 hours per week
