

Summer 2017 PAID Internship/Part-Time Opportunity

Urban Innovation21 is a public-private partnership that boosts regional economic development through 21st century innovation-driven entrepreneurship. The Pittsburgh Central Keystone Innovation Zone (PCKIZ) is a program of Urban Innovation21. The PCKIZ internship matches undergraduate and graduate students with paid internship opportunities at local start-up companies. PCKIZ internships are open to students from Community College of Allegheny County, Carlow University, Duquesne University, and Point Park University.

Intern Title: Energy Efficiency Analyst

Company: eCap Network

Overview: eCap Network is a firm specializing in energy efficiency and clean distributed energy project development, with a focus on energy efficiency for commercial buildings. More information can be found at <http://www.ecapnet.com/>.

Location: Pittsburgh, PA

Tentative Start Date: May 2017

Internship Description: eCap Network is seeking an intern with strong motivation and organization and analysis skills to support the technical work of the energy solutions team.

Responsibilities

- Support senior level consultants with site investigations, technical research, analysis and report preparation.
- Assist with the configuration and update of project management database.
- Perform technical calculations using spreadsheets and other analysis tools.
- Gather, analyze and report on quantitative and qualitative data to support client recommendations.

Qualifications & Experience

- Progressing towards an Associate's or Bachelor's Degree in engineering, business or information technology.
- Ability to grasp technical concepts and apply quantitative and qualitative analysis skills.
- Strong organization and time management skills.

Bonus of Urban Innovation21 Internship Program:

- Professional development workshops available
- Gain access to 1 on 1 professional development advisory mentoring service
- Opportunity to attend networking events

Pay: \$10 an hour; 224 hour internship assignment; maximum 28 hours per week
